

The 14th International World Critical Dietetics Virtual Conference, **Governing Bodies Through Food: Power, Control, and Resistance in Nutrition Systems**, will be held on Thursday, July 23rd 2026.

World Critical Dietetics seeks to create spaces for inter- and transdisciplinary inquiry and exploration regarding food, health, nutrition, knowledge, the body, and expertise, as well as critical, justice-enhancing orientations to education, art, and practice in the context of dietetics.

Call for Proposals

Scan the QR code [or click here](#) to learn more about our conference theme and submit a virtual session proposal.

Proposals due by March 31st

World Critical Dietetics' Events Committee is always looking for new members to share their skills and passions to support our mission of advancing critical thought and justice-enhancing practices in the fields of food, nutrition and dietetics.

Reach out to [Greta, Co-Director of Events](#) if you'd like to be part of planning this conference and other events.
